

South Plains College Dual Credit Update

Dual Credit Staff

Summer 2022

Dual Credit Overview

What is Dual Credit? A system under which an eligible high school student enrolls in college course(s) and receives credit for the course(s) from both the college and the high school.

What courses are eligible?

- 1) Those in the core curriculum of the public institution of higher education providing the credit;
- 2) a career and technical education course; or
- 3) a foreign language course.

*No developmental education or remedial courses can be offered for dual credit.

Dual Credit Overview (cont.)

Exception

Any course that is required to complete an Early College program...

- Any college course for dual credit offered as part of an early college program must be a core curriculum course of the public institution of higher education providing the credit, a career and technical education course, a foreign language course, or course that satisfies specific degree plan requirements leading to the completion of a Board approved certificate, AA, AS, AAS degree program, or FOS.

Dual Credit Eligibility

Student Eligibility

Demonstration of college readiness via TSIA or through an exemption.

- ACT
- SAT
- Algebra II STAAR EOC
- English III STAAR EOC

Other option – use a waiver to satisfy dual credit eligibility requirements (not college readiness)

- English II STAAR EOC
- Algebra I STAAR EOC (plus passing grade in Algebra II course)
- PSAT/NMSQT

Not required for dual credit courses contained in a Workforce Education Level 1 Certificate.

Dual Credit Eligibility (cont.)

TSI Exemption Scores							
STAAR EOC		SAT		ACT		TSI	
Administered on March 5, 2016 or after							
English III	4000	EBRW	480	English	19	Reading	351
Algebra II	4000	Math	530	Math	19	Math	350
				Composite	23	Writing	340 + 4 Essay -or- 310 MC+5 Essay +4 ABE

TSI 2.0	
Math	950 -or- 910 + 6 Diagnostic
ELAR (Reading & Writing)	945 + 5 Essay -or- 910 + 5 Essay + 5 Diagnostic

TSI Changes - 2022

Starting Fall 2022...

English Language Arts & Reading (ELAR) required -

All college-level ENGL courses;

BIOL 1406, 1407, 1411, 1413, 1414, 2401, 2404, 2420;

*Not BIOL 1408 & 1409 (Biology for Non-Science Majors)

All EMSP courses

Mathematics required -

All college-level MATH courses;

BIOL 2401 (A&P I) & 2420 (Microbiology)

Courses that are no longer restricted -

All ANTH, ARTS, BCIS, CHEM, EDUC, GOVT, HIST, HUMA, MUSI, PSYC, SOCI, SPCH - will no longer require demonstration of college readiness (they will all be TSI non-liable courses).

All course pre-requisites (listed in the catalog) must be met. Ex) completion of college-level math or CHEM-1406 before enrolling in CHEM-1411; completion of 15 hours of college coursework before enrolling in EDUC-1301 (Intro to the Teaching Profession).

Southern Association of Colleges and Schools Commission on Colleges (SACSCOC)

- Provides oversight of all higher education programs and courses that may be offered under different names such as “early college,” “dual credit,” or “concurrent enrollment.”
- We have to document and identify high schools that offer 25-49%, then more than 50%, of a degree program.

SACSCOC Reaccreditation Process

- On-site review scheduled for September 18th – 21st, 2023.
- All high schools which offer dual credit, are considered an off-campus instructional site.
- The site visit team will review instructor CVs and credentialing materials, course syllabi, etc.
- Not anticipating any visits to high school locations, unless needed by the site visit team.

Dual Credit – Instructional Requirements

Curriculum

- The college must ensure that a dual credit course and the corresponding course offered at the main campus of the college are equivalent with respect to curriculum, materials, instruction, and method/rigor of student evaluation.
- “A college course is a college course, regardless of where, how, and to whom it is offered.”

Faculty

- Faculty must meet the same standards and approval procedures used by the college to select faculty responsible for teaching the same courses at the main campus of the college.
- The college shall supervise and evaluate instructors of dual credit courses using the same procedures used for faculty at the main campus of the college.
- The instructor of record actually teaches the course – not in name only, nor a graduate assistant. Faculty roster forms are submitted to SACS for review during re-accreditation process.

Dual Credit – Credentialing

Who is eligible to teach?

Academic Transfer – Master’s degree with at least 18 graduate hours in the teaching discipline.

Career and Technical Education – Either a bachelor’s degree in the teaching discipline or an associate’s degree with demonstrated competencies in the discipline.

Career and Technical Education

Articulated Credit vs. Dual Credit

- Cost
- Immediately Transcribed
- Transferable

Summer Workshops and On-Campus Training

- During workshops, technical program coordinators and faculty provide teachers a list of sequential courses, which will count toward program certificate/degree.
- Technical program coordinators and faculty provide course content for every course that an instructor has been approved to teach, in order to guarantee course equivalency.
- Dual Credit instructors **must** teach college-level material and cover all required content, preparing students for more advanced courses, following high school graduation.

Degree Requirements

Common Core – 42 semester credit hours that fulfill the general education requirements of degree programs on the associate degree or baccalaureate degree levels.

Core for an Associate of Arts Degree-Seeker

Communications Component Area (6 Hours) - ENGL 1301 & 1302

Mathematics (3 Hours)

Life & Physical Science (6 Hours)

Language, Philosophy & Culture (3 Hours)

Creative Arts (3 Hours)

American History (6 Hours)

Government (6 Hours)

Social/Behavioral Science (3 Hours)

Institutional Option (6 Hours)

Additional Requirements

PE (2 Hours)

Electives (16 Hours)

									TOTAL REQUIRED 60	

Degree Requirements (cont.)

Difference between the Associate of Arts & Associate of Science?

Associate of Science requires an additional Mathematics course (for 6 total hours) and eight hours of Lab Sciences (traditionally designed for STEM majors).

The Associate of Science degree only allows 11 hours of elective credit – normally reserved for advanced math or science coursework.

One of the most difficult areas to navigate – choosing the correct math class...

Instructional Plan

Academic Suspension and Probation Policy

Dual Credit Students will be placed on Academic Probation at the end of any term that they do not earn a minimum of 2.00 cumulative GPA.

Students will then have a registration hold placed on their account.

What should Dual Credit Students do that have a probation hold?

- Contact their high school counselor;
- Complete an Academic Probation Advising Packet (on the SPC Dual Credit webpage);
- Schedule a conference call between student, counselor and staff member from the Dual Credit Office for advisement, hold removal and enrollment.

Process and Policy Changes - 2022-2023 Academic Year

- Enrollment Changes
 - Spreadsheet
 - Changes to Drop Process (submit to dual credit office)
 - Duplication of TSI score submissions
- Online Dual Credit Orientation – Fall 2022
- Online Contact Information Form
- New Course Offerings
 - Year-long College Algebra
 - Online Biology
 - Hybrid Chemistry – online lecture/face-to-face labs
 - Criminal Justice (online)
 - Spanish (online)
- Blackboard Observer Access
- Communication Plan & Targeted Outreach
- College Prep Training – at Region 17 on Friday, Sept. 9th
(Registration available online)

Dual Credit Advising Staff

Website Navigation and Case Studies

Disability Services

- Whether the student is taking the course in their own high school classroom, online, or at an SPC campus, the student must disclose their diagnosed disability(ies) to Disability Services in order to receive classroom accommodations.
- A school counselor or representative may assist students in completing an accommodations application and submitting all required documentation through the AIM portal on the Disability Services webpage – reminder: all documents MUST be signed and dated by the student.
- The dual credit student requesting accommodations is required to meet with Disability Services, in order to receive reasonable accommodations that are established for the student wanting to take college-level coursework.
- **Keep in mind** - in college-level courses, curriculum cannot be modified for students with disabilities. Dual Credit students are expected to demonstrate the same level of understanding of all course material and meet the same minimum skill performance standards as every other student in the college class. High school IEPs nor 504 plans can be applied at the college level...

Open Educational Resources (OERs)

Text & course materials that are free to students.

Courses that have adopted an OER

ECON 2301 & 2302

HIST 1301 & 1302

PSYC 2301 & 2314

Instructions on how to access these free online textbooks/course materials will be in each student's Blackboard on August 29th (the date when courses become available for the Fall 2022 semester).

Inclusive Access

Text & course materials included in a student's bill.

(No longer have the need for physical textbooks to be delivered or sent out via U.S. Mail).

Used for the following courses

ARTS-1301

BIOL-1411

ENGL-1301 & 1302

HECO-1322

HITT-1305

HUMA-1301, 2319 & 2323

KINE-1304

MATH-1342

SOCI-1301 & 1306

SPCH-1315

- These materials will automatically appear in each student's Blackboard, when their courses become available
- Students are allowed to opt-out by the 12th class day – **September 14th**

Business Office – Payment Plans

- Payment Plans
 - \$30 Non-refundable fee
 - Payment Plans are not available after September 6th

Option 1 –

25% down payment available between June 10th and August 25th - with 25% due on September 16th, October 4th and November 4th

Option 2 -

50% down payment required between August 26th and September 6th - with 25% due on October 4th and on November 4th

Business Office – Tuition Waivers

Tuition Waivers –

If eligible, these funds will cover the cost of dual credit tuition (but not books or supplies).

For Foster Care & Adoption Waivers - students should submit their letter from Child Protective & Regulatory Service to the Dual Credit Office.

For Hazlewood & Veterans' Benefits, contact Ms. Vivian Sanchez in the Financial Aid Office at (806) 716-2361 or vsanchez@southplainscollege.edu.

Business Office – Payment Spreadsheets

Covering Student Costs

- Sponsorship lists need to be submitted to Jessica Lopez (jmlopez@southplainscollege.edu) in the Business Office by Monday, August 29th
- Please include each student's name, SPC ID number the course(s) they are enrolled in and the amount being covered by the district.

Dual Credit Stipends

Faculty and counselor stipends are based on class enrollments as of the College's official census date (the 12th class day) of each semester – September 14th for the Fall of 2022.

New dual credit coordinators will need to complete a W-9 form.

Schools with **multiple coordinators** will have their stipend amount divided equally.

- Payment dates for fall semester – end of October, November, and December.
- Checks are mailed to the current address on file at the beginning of the semester.

Enrollment	Stipend
1-10	\$100
11-25	\$150
26-50	\$200
51-75	\$300
76-100	\$400
101-125	\$500
126-150	\$600
151-175	\$700
176-200	\$800
201-225	\$900
226-250	\$1,000

cont.

Important Dates

August 29th - First day of class.

(Blackboard will be made available to students on this date).

September 2nd - Last day to add an ITV or online class.

(End of the first week of class).

September 6th – Dual credit payment deadline.

September 14th - The 12th class day; serves as the College's official census date.

(Last day to enroll in a dual credit course that's being offered at a high school Location).

For students who register before August 29th - payment is due no later than close of business on August 29th.

For students who register after August 29th - payment will be due that same day of registration.

Last Year in Review

Over 2,400 students enrolled in dual credit coursework this Spring semester – more than 400 of those students were enrolled in CTE dual credit courses.

Honor Cords (awarded for completing 24 Dual Credit hours with SPC)

- SPC had 396 students receive dual credit honor cords in May 2022.

Associate Degree Completers

- More than 30 dual credit students received their Associate Degree during SPC's commencement ceremony last May.

Dual Credit Outreach

Please contact the Dual Credit office to schedule...

- Parent Night Presentations
- Student Presentations
- Academic advising sessions
- Assistance with the SPC Admissions application
- FAFSA Completion Nights
