COURSE DESCRIPTION: One Semester, 3 credit hours.

This course satisfies a core curriculum requirement: YES - Fine Arts.

For non-music majors only. Pre-requisite-NONE. Selected composers and compositions will be studied through an interpretation of their historical, functional, and cultural significance.

THE PURPOSE OF THIS COURSE: The purpose of this course is to introduce the student to the masterpieces of music literature from Western Art Music and the names of famous composers and titles to some of their most well known compositions. It is essential that the student develop a fundamental vocabulary of musical terms and gain a sight and sound recognition of the instruments of the modern orchestra. Developing focused listening skills is yet another objective of this course; you must listen to the music and more than just once for much of it!! I hope you enjoy this class! Have a great semester!
