Homework is assigned to facilitate your understanding of the material. Homework is done online and can be found at www.myaccountinglab.com. You will need to buy an access code (comes bundled with book). Homework due dates can be found on the website and on the back of this syllabus. Homework is due before the assigned class date, it can be submitted late, however, a 15% penalty per day will apply. If you do not have internet access, you need to find time to go somewhere that does (SPC or Public Library). Quizzes are also online and are due by assigned date (no late quizzes will be accepted). MyAccountingLab (MAL) homework manager will show your grades up-to-date. You have 48 hours to dispute any online grades by emailing your instructor. After this time, no grade disputes.

Successful completion of Accounting is affected by your class attendance. Students will not have more than **4** absences in this class. Upon the 5th absence, I will drop the student (with a grade of **F**) or if after the last drop date, a grade of **F** will be given in the course. In addition, an instructor is required to notify the Office of Student Services when the student has missed every class day during any 14 consecutive calendar-day period, excluding holidays (see college catalog). Attendance is taken at the first of class. Only two tardies will be allowed, after two it is an absence. Please attend other sections of the class to make up attendance.
