II. COURSE INFORMATION

- A. COURSE DESCRIPTION:** Prerequisite: ACNT 1304 with a “C” or better and consent of instructor. This course provides basic, intermediate, or advanced type of work-based instruction that helps students synthesize new knowledge, apply previous knowledge, or gain experience managing the workflow. Practical experience is simultaneously related to theory. Direct supervision is provided by the faculty or the work supervisor. An internship may be a paid or unpaid learning experience.
- B. LEARNING OUTCOMES:**
As outlined in the learning plan, the student will apply the theory, concepts, and skills involving the tools, materials, equipment, procedures, regulations, laws, and interactions within and among political economic, environmental, and legal systems associated with the particular occupation and the business/industry, and demonstrate ethical behavior, safety practices, interpersonal and teamwork skills, communicating in the applicable language of the occupation and the business or industry.

C. **COURSE COMPETENCIES:**

The student will apply the skills acquired in the classroom to an office environment by working designated hours at an approved job site, will apply computer skills by completing subject research on the internet and by submitting reports of this research in an approved report format to the instructor by the use of e-mail, and will submit weekly progress reports via e-mail. Class meetings will be required on the first day of class and during the last week of classes of the semester. A minimum grade of "D" is required to pass ACNT 2168/2268.

D. **STUDENT LEARNING OUTCOMES ASSESSMENT:** This will vary and is geared towards Task Stream and WECM standards. This course will be assessed on an annual basis.

E. **ATTENDANCE POLICY:**

As an online class, students must access the course on a regular basis.

Minimum log in for the course is at least four (4) days per week. Additionally, you should not let more than 72 hours pass without logging in. Students will be administratively withdrawn from class if there is no log in activity for a two-week period and/or no assignments completed during a two-week period.

The Blackboard software used to manage this online course tracks student logins, tracking when and where the student has been in the course. Accessing this course on a regular basis is extremely important in order to meet the objectives of this course. Ideally, students should daily check the semester schedule, e-mail, and also check for announcements and fellow student discussions. This course is not 100% self-paced—**there will be deadlines**. You will feel more at ease with the materials if you stay in touch with what is going on. This course is 3 semester credit hours. For this reason, you should set aside a minimum of 6 hours per week to work on this course. One of the very first things you should do is set aside time each week to work on the class. It is very easy to put off attendance in an online course.

A student who does not meet the attendance requirements of a class as stated, and does not officially withdraw from that course by the official census date of the semester, **may be** administratively withdrawn from that course and receive a grade of "X" as determined by the instructor.

An "F" will not be assigned to any student administratively withdrawn from a course for non-attendance by an instructor.

FINAL DROP DATE: Thursday – April 28, 2022

F. **ACADEMIC INTEGRITY:** It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.

G. **PLAGIARISM AND CHEATING:** Students are expected to do their own work on all projects, quizzes, assignments, examinations, and papers. Failure to comply with this policy will result in an F for the assignment and can result in an F for the course if circumstances warrant.
