## **COURSE INFORMATION**

- **COURSE DESCRIPTION:** Prerequisite: ACNT 1304 with a “C” or better and consent of instructor. This course provides basic, intermediate, or advanced type of work-based instruction that helps students synthesize new knowledge, apply previous knowledge, or gain experience managing the workflow. Practical experience is simultaneously related to theory. Direct supervision is provided by the faculty or the work supervisor. An internship may be a paid or unpaid learning experience.
  - **LEARNING OUTCOMES:** As outlined in the learning plan, the student will apply the theory, concepts, and skills involving the tools, materials, equipment, procedures, regulations, laws, and interactions within and among political economic, environmental, and legal systems associated with the particular occupation and the business/industry, and demonstrate ethical behavior, safety practices, interpersonal and teamwork skills, communicating in the applicable language of the occupation and the business or industry.
  - **COURSE COMPETENCIES:** The student will apply the skills acquired in the classroom to an office environment by working designated hours at an approved job site, will apply computer skills by completing subject research on the internet and by submitting reports of this research in an approved report format to the instructor by the use of e-mail, and will submit weekly progress reports via e-mail. Class meetings will be required on the first day of class and during the last week of classes of the semester. A minimum grade of "D" is required to pass ACNT 2168/2268.
- 

**ATTENDANCE POLICY:** As an online class, students must access the course on a regular basis.

This course will utilize the following policy stated below from the SPC General Catalog:

- *Students are expected to attend all classes to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.*
- *When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student’s responsibility to complete work missed within a reasonable period as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first-class meeting.*

- Students who enroll in a course but have never attended by the official census date, as reported by the faculty member, will be administratively dropped by the Admissions and Records Office. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester may be administratively withdrawn from that course and receive a grade of "X" as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student's responsibility to be aware of that policy.
- It is the student's responsibility to verify administrative drops for excessive absences through Texan Connect. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate, and the student will owe any balance resulting from the adjustment.
- **A student who stops attending AND stops completing assignments MUST take the responsibility of contacting the Registrar's office to drop the class.**

**I DO NOT DROP STUDENTS FOR NON-ATTENDANCE. IT IS YOUR RESPONSIBILITY TO INITIATE THE DROP PROCESS IF YOU DECIDE NOT TO COMPLETE THE COURSE. STUDENTS THAT STOP ATTENDING AND DO NOT COMPLETE THE COURSEWORK WILL RECEIVE A GRADE OF "F" AT THE END OF THE SEMESTER.**

**FINAL DROP DATE: April 27, 2023**
