- Apply knowledge of camera operations to compose and capture digital

photographs.

- Apply knowledge of digital imaging and image manipulation utilizing Photoshop software.
- Identify flaws and make improvements to photographs produced.

**Absence Policy:** You may be *dropped* from the course after the fourth unexcused absence (at the discretion of the instructor). Students are expected to attend all classes in order to be successful in a course. A student may be administratively withdrawn from the course when absences become excessive.

**Tardiness Policy:** I enforce a 5-minute rule. I use the clock in the classroom or on my computer. You may come to class **up to** 5 minutes late. That's the cutoff. If you arrive **after** that 5-minute window, you'll be given one warning. Any time(2) after that, you'll be asked to turn around and leave if you passed the 5-minute window. It will be an unexcused absence. I may or may not have taken attendance already if you arrive 5 minutes late. It's up to you to make sure you are marked present.

**Deadlines:** ALL deadlines are absolute. You need to get used to deadlines that exist in the off-campus world. Therefore, all assignments will be due at the beginning of each class, and any late assignments will be penalized harshly.

### **COVID-19 Statement**

If you are experiencing any of the following symptoms, please do not attend class and either seek medical attention or test for COVID-19.

- Cough, shortness of breath, difficulty breathing

Proof of a positive test is required. A home test is sufficient but students must submit a photo of the positive result. The date of test must be written on the test result and an ID included in the photo. If tested elsewhere (clinic, pharmacy, etc.), please submit a copy of the doctor's note or email notification. Results may be emailed to DeEtte Edens, BSN, RN at [dedens@southplainscollege.edu](mailto:dedens@southplainscollege.edu).

A student is clear to return to class without further assessment from DeEtte Edens, BSN, RN if they have completed the 5-day isolation period, symptoms have improved, and they are without fever for 24 hours without the use of fever-reducing medication.

Students must communicate with DeEtte Edens, BSN, RN prior to their return date if still symptomatic at the end of the 5-day isolation.

### **Kirby Face Covering Policy**

In all likelihood, I will continue to wear CDC-compliant face covering/mask throughout the semester.

**Excuses:** Don't bother to try any. I've heard most of them and have used some of them myself. Only deaths of immediate family members (parents, grandparents, siblings –

ONLY), or your own, may be considered for an excused absence. Of course, you will need to provide proof (such as the obituary notice). Student athletes or those participating in other college-sponsored activities that require an absence, will be excused, with prior notice to me and appropriate documentation.

**Disabilities Statement:** Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Levelland (Student Health & Wellness Office) 806-716-2577, Lubbock Centers (located at the Lubbock Downtown Center) 806-716-4675, or Plainview Center (Main Office) 806-716-4302 or 806-296-9611.

**Nondiscrimination Policy:** South Plains College does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies: Vice President for Student Affairs, South Plains College, 1401 College Avenue, Box 5, Levelland, TX 79336. Phone number 806-716-2360.

**Title IX Pregnancy Accommodations:** If you are pregnant, or have given birth within six months, Under Title IX you have a right to reasonable accommodations to help continue your education. To activate accommodations you must submit a Title IX pregnancy accommodations request, along with specific medical documentation, to the Health and Wellness Center. Once approved, notification will be sent to the student and instructors. It is the student's responsibility to work with the instructor to arrange accommodations. Contact the Health and Wellness Center at 806-716-2529 or email [dburleson@southplainscollege.edu](mailto:dburleson@southplainscollege.edu) for assistance.

**Diversity Statement:** In this class, the teacher will establish and support an environment that values and nurtures individual and group difference and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

**Academic Honesty and Professional Conduct Policy:** The same standards and ethics will apply to students enrolled in this course as apply to news reporters and other media professionals. Violations of these standards will result in a failing grade for the assignment and immediate dismissal from the course will be considered. These standards include, but are not limited to:

1. Plagiarism will not be tolerated. You may not take material verbatim from other sources, including previously published photographs, Facebook, photos taken by other students, the Internet, etc... To do so without permission is unethical.

2. Ethical decision-making and upholding standards of decency are important. While nudity may be considered an art form by some, photographs of questionable taste will not be accepted.
3. The classroom is not a play room. Professional conduct is expected, and food and drink should be kept far away from cameras and computers.

**Civility Code:** As future journalism professionals, you are to communicate with each other in a professional and civil manner. We all may feel passionately about certain issues; however, passion is no substitute for a solid grasp of the facts and sound, logical reasoning. Disparaging comments about gender, ethnicity, religion, etc... will not be tolerated. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves.

Disruptive behaviors such as cell phones ringing, leaving and returning to class while in session, arriving late to class, talking with others during lectures/discussions, checking your e-mail, Facebook, sending/receiving text messages, eating or drinking in class, etc... will result in a substantial reduction in the participation portion of one's grade and a request that those students leave the class. Cell phones must be turned off, or kept on "silent," and out of sight. They may only be activated in individual extenuating circumstances after consulting with the instructor.
