In addition, the student may be dropped from the course with a failing grade. See the ***SPC Student Handbook*** for more information.

Neither instructor nor student should be subject to others' behavior that is rude, disruptive, intimidating, aggressive, or demeaning. Student conduct that disrupts the learning process or is deemed disrespectful or threatening shall not be tolerated and may lead to disciplinary action and/or removal from class.

**Disabilities Statement:** Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Levelland (Student Health & Wellness Office) 806-716-2577, Lubbock Centers (located at the Lubbock Downtown Center) 806-716-4675, or Plainview Center (Main Office) 806-716-4302 or 806-296-9611.

Contact Health and Wellness at 806-716-2529.

**Diversity Statement:** In this class, I will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. Great value is placed on freedom of expression, however certain topics are considered overdone or cliché. These topics will NOT be approved for presentations, so it is important to discuss topic selection for each speech. Some topics may be controversial, so open and honest dialogue will

be allowed. Keep in mind that each person has a valuable opinion and our goal is to present sound, reasonable examples and NOT to harass or berate. If we follow these simple rules, no person should be offended, even if they disagree. If you feel there has been some offense made, it is your responsibility to bring it to my attention, in private, as soon as possible.

**Covid-19 Policy Statement:** SPC will follow the recommended 5-day isolation period for individuals that test positive. Please note that day 0 is the date of positive test. Day 1 begins the first full day after the date of positive result. Students and employees MUST notify their instructor AND DeEtte Edens (806-716-2376 or by email) immediately if they have tested positive and to verify dates before returning to class or work. The home test is sufficient but students need to submit a photo of the positive result. The date of test must be written on the test result and an ID included in the photo. If tested elsewhere (clinic, pharmacy, etc.), please submit a copy of the doctor's note or email notification. Results may be emailed to DeEtte Edens, BSN, RN at [dedens@southplainscollege.edu](mailto:dedens@southplainscollege.edu). A student is clear to return to class without further assessment from me if they have completed the 5-day isolation period, symptoms have improved and they are fever free for 24 hours without the use of fever-reducing medication. Students and employees must communicate with DeEtte Edens prior to their return date if still symptomatic at the end of the 5-day isolation. Exposed individuals will not be required to quarantine. If exposed, SPC does request individuals closely monitor themselves. If an individual does become symptomatic, please do not attend class or work and be tested.

Interpretation of grades should be considered within the university framework: A=excellent, B=good; C=average; D=inferior; and F=failure. ### **Graded Assignment Brief Descriptions:**

1. **Exams (2 @100 points each) and Final Exam (50 points):** Three examinations will be given in order to assess the students' grasp of the material covered in class. Two of the exams will be given during the course of the semester; the final will be given at the end of the semester during Finals Week. FINAL EXAMS MAY ONLY BE TAKEN DURING OPEN TIMES ON FINALS WEEK. You *may* earn an exemption from the final exam if prior to the final you have 800 points or more with no more than 3 absences, OR if you have perfect attendance. Exams will cover lectures, material discussed in class and online, and material from the textbook.
2. **Presentations (350 points):** Several of the most common types of presentations will be required of students. Students will be graded on their mastery of basic speaking principles and criteria given in class. Students will also be graded on their preparation for their presentations. Speech grades will be lowered for tardies/unexcused absences.
3. **Worksheets, Group Project, Quizzes and Evaluations (400 points total):** This is a highly interactive class that will involve a number of supporting activities. Students are expected to not only attend class, but to participate. You are required to bring your pens/pencils, paper, textbook, and syllabus to EVERY CLASS. I also have a strict NO technology policy. You will be asked to complete worksheet assignments (5 @ 10 points each), a pre-test quiz (15 points) and complete quizzes for each chapter (9 @ 15 points each). You will also be required to complete and upload a Group Project (100 points). Finally, you will be asked to complete 2 different peer evaluations (25 points each) and 2 self-evaluations (25 points each) of speeches. These assignments, among others, may be in class or online using your Top Hat access. You may record all grades in your syllabus for easy access to your progress in the course.

**I DO NOT USE BLACKBOARD MUCH FOR THIS CLASS.** It is important that you keep ALL assignments during the semester. Once graded, if you need clarification or have questions, it is your responsibility to provide those documents. In addition, I do not accept emailed assignments unless instructed to do so when assigned.

**Attendance and Tardy Policy:** Please make sure you have read and understand your Student Handbook for SPC policies. For this course, all students enrolled are expected to attend class regularly, complete online requirements by the posted deadline, be on time for speeches and class meetings, and remain until dismissed. Roll will be taken at each class meeting. If a student is tardy, he/she must see the instructor after class to have the absence mark removed. If a student leaves class prior to dismissal of the class, he/she may be counted tardy or absent. Two tardies equals an absence.

Whenever absences become excessive and, in the instructor's opinion, minimum course objectives cannot be met, the student should initiate withdrawal from the course. A student who does not meet the attendance/course requirements of class as stated in this syllabus and does not officially withdraw from this course by the official census date of the semester may be

administratively withdrawn from that course and receive a grade of “X”. Students are responsible for all class work covered during absences. After 4 unexcused absences or excessive missing work, you may be dropped from the course.

**Make-Up Policy:** Generally, late and/or make-up work is NOT accepted. All work has a deadline and deadlines must be met even if the student is absent. When an unavoidable reason for class absence arises, such as illness, family death, emergency, an official trip authorized by the college or an official activity, I **may** permit the student to make up work missed ONLY IF DOCUMENTATION IS PROVIDED. This is especially important for presentations. The student should communicate with the instructor to learn what documentation is acceptable. Each student absence will be dealt with on an individual basis. If a student must be absent, she/he should advise the instructor beforehand if possible and if the student is representing the college, they should have a signed permit from his/her coach or sponsor. In all cases, it is the student’s responsibility to complete work missed within a reasonable amount of time as determined by the instructor. Each student must make an appointment to make arrangements for make-up work. **Also, late work may not receive full credit.**
