### Course Description

This is a course in fundamental English for students who do not pass the English portion of THEA or the campus placement test and are selected to participate based on their score. This course includes a basic review of English grammar, focusing on spelling, punctuation, diction, and various types of sentence construction. It also covers the various types of paragraphs, as well as an introduction to the basic essay. This course will not satisfy graduation requirements.

### Course Objectives

After completion of this course, the student will be able to:

- Compose a variety of texts that demonstrate clear focus, the logical development of ideas, and the use of appropriate language that advances the writer's purpose
- Determine and use effective approaches and rhetorical strategies for given writing situations
- Generate ideas and gather information relevant to the topic and purpose, incorporating the ideas and words of other writers in student writing using established strategies
- Evaluate relevance and quality of ideas and information to formulate and develop a claim
- Develop and use effective revision strategies to strengthen the writer's ability to compose college-level writing assignments.
- Edit writing to conform to the conventions of Standard English.

### Textbook & Supply Requirements

---

This course uses an inclusive access text. This means that your course materials, including the eBook and MindTap access, were included in your tuition. You do not need to purchase any additional material for this course. For more on inclusive access text, see below.

Inclusive Access:

- *Textbook:* The textbook and resources for this course are available in digital form through the Inclusive Access textbook program at South Plains College. That means the e-book edition of the textbook and/or all required resources are provided in the Blackboard portion of the course from

the first day of class. The fee for the e-book/resources is included in the student tuition/fee payment, so there is no textbook or access card to purchase for this course.

- *E-book features:* Access to a cloud-based e-reader is provided by RedShelf via Blackboard. RedShelf e-book features include the ability to hear the text read aloud, highlight, take notes, create flash cards, see word definitions, build study guides, print select pages, and download up to 20% of the book for offline access. Visit <https://solve.redshelf.com/hc/en-us/requests/new> for e-book issues and support.
- *Upgrading to a physical textbook:* Students who prefer a printed textbook rather than an e-book may purchase a loose-leaf edition from the SPC Bookstore or the textbook publisher.
- *How to opt out of Inclusive Access:* As long as they meet the opt-out deadline, students may choose not to participate in the Inclusive Access program if they have a textbook from another source. They should check the course syllabus to see if the instructor also requires course work to be done in an online platform (like Mindtap or Connect). If so, the student would be required to have access or purchase access to that platform in addition to acquiring the e-book. To opt out of the Inclusive Access e-book/resources, students will need to locate the RedShelf tool in their Blackboard course and follow the instructions given there. Students who need assistance to opt out should contact their instructor or the SPC Bookstore. The Inclusive Access fee will be refunded to students who opt out after the twelfth class day.

## **Student Responsibilities**

---

Students are expected to:

1. Be responsible for the learning process, including preparation for class, such as reading and homework; participation in class discussions, including asking relevant questions; getting assignments and/or notes if absent; and accepting responsibility for not understanding an assignment or failing an assignment
2. Be responsible for having an appropriate attitude and using appropriate language in academic environments; not use condescending, inflammatory, threatening, or profane rhetoric, whether verbally or in written form, in academic environments
3. Have respectful behavior toward instructor and classmates in order to contribute to the atmosphere necessary for learning
4. Be responsible for courteous actions to others, especially by putting away cell phones and other distractions while in class
5. Be responsible for writing down all grades and applying them to the grading scale used for the class, which is shown in the course's policy statement/syllabus
6. Submit all assignments in accordance with due dates, formats, and requirements
7. Avoid all forms of cheating and plagiarism on all assignments, including improper collaboration
8. Ask questions when something is unclear

## **Attendance and Participation Policy**

---

Regular, consistent attendance is required for this course. Any activity missed, regardless of cause, reduces the opportunity for learning and may adversely affect a student's achievement.

There are several main things to remember about attendance for this course:

1. **I do not drop students for non-attendance.** It is your responsibility to initiate the drop process if you decide not to complete the course. Students who stop attending but don't complete the coursework will receive an F at the end of the semester.
2. Late work is not accepted for any reason.

Be advised – I do not accept late work for any reason.

## **Dropping Our Class**

---

Before you withdraw from our class, please contact me or talk to your advisor. There may be a way for you to get back on track.

- Check the SPC Academic Calendar here to find out the last day to drop a course for this semester: <http://www.southplainscollege.edu/academiccalendar/index.php>
- To drop this class, fill out and submit this form online: [https://forms.office.com/Pages/ResponsePage.aspx?id=ZrGRbWrP6UWeIqAmJdCCqVjMnZs6h15Nrs0pqCo\\_sEIUODExTUFXS0JOODhjOTIYM0NEV1kzRk9GMSQIQCN0PWcu](https://forms.office.com/Pages/ResponsePage.aspx?id=ZrGRbWrP6UWeIqAmJdCCqVjMnZs6h15Nrs0pqCo_sEIUODExTUFXS0JOODhjOTIYM0NEV1kzRk9GMSQIQCN0PWcu)
- You are not required to obtain an instructor signature to drop. There will be no charge for drops for the fall or spring semesters.
- For additional information regarding schedule changes, drops and withdrawals, [click here](#).

## **Assignment Submission**

---

I cannot accept any assignment via email, for any reason. It is your responsibility to make sure the assignment submitted properly *before* the due date. No documents will be accepted after the submission deadline has passed, for any reason.

Additionally, all files must be submitted as .docx documents (Microsoft Word). **I cannot accept .gdoc, .pages, .odt, .rtf, or .txt files. If you submit anything other than a .docx file, you will be given a 0 for that assignment and will not be allowed to make it up.**

Papers will be submitted in Blackboard. They must be named according to the instructions in order for them to be graded. I will not make allowances for the late policy because of misplaced files or files with non-standard file names.

**Be aware – any assignment that doesn't meet the minimum length requirement by ½ will be given a zero, and you will not be allowed to make it up. Assignments that meet the length requirement by ½ but still don't meet the length requirement will receive significant grade deductions.**

Please understand: File management is a skill that, as a college student, you should be very comfortable with. I cannot accept late work from students who didn't understand how to upload files. When you submit a file in Blackboard, you should receive a receipt at your SPC email address. Look for this email after you submit each assignment to ensure the file is in the proper place. This is extremely important.

As a college student, you assume the responsibility for your technology. I suggest three things:

1. Have a backup plan in place from day one, just in case your technology fails.
2. After submitting an assignment, return to the assignment submission before the due date and make sure it's been submitted properly. If it's not submitted properly by the due date, you will not receive credit for it, regardless of whether or not you thought the paper had submitted.
3. Don't wait until the last minute to submit assignments. If you have trouble, but no one is available to help you, you will still not be able to submit the assignment late.

You are responsible for making sure your work has been submitted properly.

### **Why Microsoft Word**

---

Many students wonder why I'm so adamant about using Microsoft Word for this course when there are many other word processing programs available. The answer is simple: Blackboard only allows me to view and grade Microsoft Word documents. It does not allow Apple Pages, Google Docs, or any other type of text files to be viewed or graded properly.

It's also a matter of formatting, which is addressed by course competency four: "[S]tudents will...[w]rite in a style appropriate to audience and purpose." Academic writers – you – are expected to follow a specific style guide, and academic audiences – me – expect to see specific formatting standards addressed. While the other programs might allow you to format your document properly, due to time constraints, I can only provide instructions for one program, and since it's the only program Blackboard will allow me to view and grade, Microsoft Word it is.

Luckily, Microsoft Word, and all programs in the Microsoft Office suite, are offered to SPC students at no cost. You can access these programs at [www.office365.com](http://www.office365.com) using your SPC email address and password.

### **Why No Late Work?**

---

I do not accept late work for any reason, whether it be five minutes late or five days late, because you forgot or because you're having technical difficulty. The reason is simple: fairness.

First is fairness to my students. This policy is applied to all students in the same way, so there can never be any question of favoritism; if I allowed late work for certain circumstances, but not for others, or for certain students, but not others, that wouldn't be fair. I don't want to make a judgement call about which circumstances or students require leniency, so the blanket policy applies to everyone – no late work for any reason.

This policy is also fair to my students' mental health and course progress. It's been my experience that students who get behind have a very hard time catching up, and having missing assignments causes anxiety and worry, which affects performance.

Submitting work on time is also fair to your classmates, as much of the work we do requires collaboration. If students don't submit work on time, it holds up the work their peers need to do to complete assignments like outline review and peer review. These assignments all build on one another, and late submissions would bring everything to a screeching halt.

Next is fairness to *myself*. My grading schedule is very strict, and there are many responsibilities associated with my job, so I cannot add keeping track of missing assignments to my already-full plate. I set due dates so that I can give you feedback in a timely manner, and if I allowed work to be submitted late, that would be unfair to my workload.

### **COVID Statement**

---

If you are experiencing any of the following symptoms, please do not attend class and either seek medical attention or test for COVID-19.

- Cough, shortness of breath, difficulty breathing
- Fever or chills
- Muscles or body aches
- Vomiting or diarrhea
- New loss of taste and smell

Please also notify DeEtte Edens, BSN, RN, Associate Director of Health & Wellness, at dedens@southplainscollege.edu or 806-716-2376. Proof of a positive test is required. A home test is sufficient but students must submit a photo of the positive result. The date of test must be written on the test result and an ID included in the photo. If tested elsewhere (clinic, pharmacy, etc.), please submit a copy of the doctor's note or email notification. Results may be emailed to DeEtte Edens, BSN, RN at dedens@southplainscollege.edu.

A student is clear to return to class without further assessment from DeEtte Edens, BSN, RN if they have completed the 5-day isolation period, symptoms have improved, and they are without fever for 24 hours without the use of fever-reducing medication.

Students must communicate with DeEtte Edens, BSN, RN prior to their return date if still symptomatic at the end of the 5-day isolation.

### **Grading**

---

Grades will be evaluated as follows

A (90-100), B (80-89), C (70-79), D (60-69), F (59 and below).

<b>Paragraph Assignments</b>	40%
<b>MindTap</b>	10%
<b>Midterm</b>	10%
<b>Final Exam</b>	10%
<b>Journal</b>	10%
<b>Final Revision with Writer's Memo</b>	10%
<b>Discussions</b>	10%

### **Major Essays—Final Drafts**

---

You will complete four major paragraph assignments for this course. Each paragraph portfolio's grade will consist of the following:

- Paragraph Plan 10%
- Plan Peer Review 10%
- Final Draft 80%

Make sure you have reliable access to a computer to submit each element of your paragraph portfolio. If you don't have one at home, plan to use any of the various SPC computer labs before an assignment's deadline. Instructions will be provided during class.

*Late Writing Assignment Policy:*

No late work is permitted for the paragraph plan or peer review portion of each paragraph portfolio. If you submit a final draft after the deadline, 20% is automatically deducted from your portfolio grade. Final drafts over a week late will earn a score of 0% for the portfolio. In the event of technical difficulties that prevent you from online submission, email me ASAP (yes, even at 11:58 p.m.) to let me know and attach the assignment. This will ensure your assignment is counted on-time. I will not, however, grade emailed assignments. You're expected to upload the final draft appropriately after technical issues are resolved.

All major writing assignments must be completed in order to pass the course.

*Grading Procedure:*

I will provide feedback in TurnItIn's Feedback Studio. You should review your feedback in detail and keep track of your progress. I expect every student to read their feedback within 48 hours from the time you are notified that it is posted. If you would like to discuss your grade, you may only do so if you have first reviewed the feedback provided. I also ask that you wait a **minimum** of 24 hours after the assignment is returned before contacting me about individual assignment grades.

*Essay Assessment Guidelines:*

Essays may earn grades ranging from A to F based on the instructor's grading scale. Depending on the assignment, certain criteria may be weighted more than others, and the instructor's assignment may establish additional, more specific criteria. The quality of each of the criteria determines the letter grade. Not every essay will fit a single grade's description completely. Instructors may also include process assignments and drafts in their assessment of the final grade.

Essays submitted with less than half the required word count earn a zero by default.

**Discussion**

---

Your engagement with the course is important to our class community. You will complete regular discussion assignments in Blackboard. The average of these scores will be worth 10% of your course grade.

**MindTap**

---

We will use Cengage MindTap, an online assessment tool, to conduct a portion of your work. This access code is provided with the textbook bundle from the bookstore. You may also purchase MindTap direct from Cengage through Blackboard. I will provide instructions for registering MindTap during the first week of class.

MindTap assignments are grouped into weeks and all MindTap assignments will be due the Sunday of their corresponding week at 11:59PM. There are two categories of MindTap assignments: Learning & Graded Activities. Learning assignments are ungraded portions of the textbooks for you to review over the course

of the week. Graded assignments are exactly what they sound like—the MindTap assignments that go in the gradebook! You can find all MindTap assignments and due dates in the MindTap calendar on Blackboard.

I will not reopen a MindTap assignment for any reason after the due date passes. No late work will be accepted. At the end of the semester, I will drop up to ten of the lowest MindTap scores for students with two absences or less.

### **Midterm & Final Exams**

---

You will take two exams in this course—a midterm and a final. The midterm will take place during class time. Face-to-face students will complete the exam in class; Zoom students will complete the exam on Blackboard. For Zoom students, the exam will only be open during the given class period and **must** be completed during the allotted meeting. Students scheduled to Zoom who wish to complete the exam in-person or vice versa should make arrangements with me well in advance of the midterm.

The final will be comprehensive and include information related to the writing process and grammar. The final will take place online via Blackboard for all students. It will be timed and you will only be allowed one attempt. Be prepared when you open it!

### **Journal**

---

You will complete a large journal portfolio over the course of the semester. Early in the term, I will distribute a list of potential journal topics; additionally, I will add topics that might interest you over the semester. You will work on the journal at your own pace over the course of the semester. I will provide a rubric that details the way these assignments will be evaluated. The complete journal is worth 10% of your overall course grade.

Although there may be periodic check-ins about your journal progress, it is up to you to work on this throughout the semester. Journals are not graded for grammar. These are designed to provide you with platform to write freely without concern for “correctness.” Regardless, the final journal will be the largest single writing artifact you produce all semester; I strongly encourage you stay motivated with the journal throughout the course.

Final journals will be turned in online in a single word file by the due date.

### **Blackboard**

---

We will also use Blackboard in this course. You may access the Blackboard login page at [southplainscollege.blackboard.com](https://southplainscollege.blackboard.com).

Do not—under any circumstances—give your username and/or password to anyone else or allow anyone else to log in to your Blackboard account. Doing so will be viewed as academic dishonesty and will be treated as such.

If you need technical support for Blackboard, please contact the Instructional Technology Department at [blackboard@southplainscollege.edu](mailto:blackboard@southplainscollege.edu). Include your name, student ID, the name of the course you’re taking, a description of the problem you are having.

**Like all other areas of this course, there are no exceptions to the late work policy, for any reason, including technical difficulties.**

## **Student Code of Conduct**

---

Any successful learning experience requires mutual respect on the part of the student and the instructor. Neither instructor nor student should be subject to others' behavior that is rude, disruptive, intimidating, aggressive, or demeaning. **Student conduct which disrupts the learning process or is deemed disrespectful or threatening shall not be tolerated and may lead to disciplinary action and/or removal from class.**

## **Academic Integrity and Plagiarism**

---

It is the aim of the faculty at South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense.

Plagiarism violations include, but are not limited to, the following:

1. Turning in a paper that has been purchased, borrowed, or downloaded from another student, an online term paper site, or a mail order term paper mill;
2. Cutting and pasting together information from books, articles, other papers, or online sites without providing proper documentation;
3. Using direct quotations (three or more words) from a source without showing them to be direct quotations and citing them; or
4. Missing in-text citations.

Cheating violations include, but are not limited to, the following:

1. Obtaining an examination by stealing or collusion;
2. Discovering the content of an examination before it is given;
3. Using an unauthorized source of information (notes, textbook, text messaging, internet) during an examination, quiz, or homework assignment;
4. Entering an office or building to obtain unfair advantage;
5. Taking an examination for another;
6. Altering grade records;
7. Copying another's work during an examination or on a homework assignment;
8. Rewriting another student's work in Peer Editing so that the writing is no longer the original student's;
9. Taking pictures of a test, test answers, or someone else's paper.

Pro-Tip: Self-plagiarism is a thing. Do not attempt to submit an assignment for this course that you also submitted to another course without my express approval.

**Do not, under any circumstances, turn in another student's work as your own. Do not, under any circumstances, give your work to anyone else to turn in as their own. Both situations are representative of academic dishonesty and will be treated as such.**

**There is zero tolerance for academic dishonesty in this course. Plagiarism will automatically result in an F for the assignment and can, in many cases, result in getting dropped from the course with an F.**
