EVALUATION METHODS

Computer-based exams, written exams, written assignments, and other projects as assigned.

ACADEMIC INTEGRITY

It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly removal from the vocational nursing program.

Cheating - Dishonesty of any kind on examinations or on written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in the office are examples of cheating. Complete honesty is required of the student in the presentation of all phases of coursework. This applies to quizzes of whatever length, as well as final examinations, to daily reports and to term papers.

Plagiarism - Offering the work of another as one's own, without proper acknowledgment, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical expression of material taken from books, encyclopedias, magazines and other reference works, or from themes, reports or other writings of a fellow student, is guilty of plagiarism.

VARIFICATION OF WORKPLACE COMPETENCIES

Vocational nurses are expected to know the body structure and childhood illnesses of pediatric patients

ADDITIONAL CLASSROOM ITEMS

Students should come to class prepared with pens, pencils, and a spiral notebook for taking notes or completed quizzes or assignments in class. Students should be prepared to take notes over lecture material if they choose. You may use your computer for this course content only in the classroom. Follow student conduct guidelines for appropriate use of electronics in the classroom. Due to COVID we may have to meet virtually at some point. Please have a plan prepared as to how to meet via computer for this course. **You will need to have access to a computer and it will need to have a camera and a microphone.** When we meet virtually it will be Microsoft Teams, Blackboard Collaborate or Zoom. In the event that we must meet in the virtual setting please notify me if you do not have a computer to use.

ATTENDANCE POLICY (*READ CAREFULLY)

Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

Roll is taken for each class by signature page; it may be taken several times during a class period. A student who is not present when roll is taken is “absent.” A student is not allowed to disrupt the class for tardiness. A student who is late may come into the classroom after a break to hear the lecture, BUT the student will still be marked as “absent.” Learning is fostered in the classroom environment. Missing even one lecture/class activity can negatively impact student performance; therefore, classroom attendance is mandatory and students are accountable to attend and be on time for class.

Students are expected to do all classwork at the time scheduled, whether the class is “live,” per pre-corded lecture or via Zoom—this means the students should be “in class” during this time, not working, driving, shopping or doing some other activity.

A student who exceeds more than 3 absences in this course will be withdrawn from the program with an “F”.

LIVE classroom: students must be in their seat ready for class at the scheduled time. Classes will be held on scheduled exam days with lectures to immediately follow the exam. Students who leave after the exam are

counted as “absent.” Students who are late for the exam, will not be allowed to take the exam.

Roll may be taken at any time during the class. Anytime the student is not present, the student is counted as a full absence. Breaks are given during the lecture time. Because we must closely monitor student movement in the building, you may only have a break when one is given. If you leave the classroom for any reason, you may not return and are counted absent. Students should use break times wisely—going to the bathroom, getting refreshment, etc. rather than spending time on cell phones and then wanting to go to the bathroom when class starts.

ZOOM classes/meetings: Zoom meetings are considered formal classes. Therefore, the student must be present in stationary environment—not working, driving, shopping or engaged in some other activity. There should be no TV, cell phones or other distractors during the meeting. **The student’s camera must be on for the entire time of the class/meeting.** The microphone should be muted unless the student is answering a question, presenting information, or otherwise engaged in the course discussion. **If the student does not follow zoom etiquette as outlined in the VN handbook, the student will be removed from the zoom meeting and given an absence. The student MUST BE ON TIME for the zoom meeting; once the course instructor has started the lecture/meeting, the late student WILL NOT be allowed in and will be counted as absent.**

Students must attend all live classroom presentations and all Zoom meetings. A student who exceeds the allowable absences in any one class will be withdrawn from the program except in the case of a Covid exposure (see handbook for policy).

COVID policy: See VN Student Handbook

COVID-19

If you are experiencing any of the following symptoms, please do not attend class and either seek medical attention or get tested for COVID-19.

- Cough, shortness of breath, difficulty breathing
- Fever or chills
- Muscles or body aches
- Vomiting or diarrhea
- New loss of taste and smell

Please also notify DeEte Edens, BSN, RN, Associate Director of Health & Wellness, at dedens@southplainscollege.edu or 806-716-2376

1. SPC will follow the recommended 5-day isolation period for individuals that test positive.
 - a. Please note that day 0 is the date of positive test. Day 1 begins the first full day after the date of positive result.

2. COVID reporting

a. Please have students and employees notify DeEtte Edens if they have tested positive to verify dates before returning to class or work.

b. The home tests are sufficient but students need to submit a photo of the positive result. The date of test must be written on the test result and an ID included in the photo. If tested elsewhere (clinic, pharmacy, etc.), please submit a copy of the doctor's note or email notification. Results may be emailed to DeEtte Edens, BSN, RN at dedens@southplainscollege.edu.

c. A student is clear to return to class without further assessment if they have completed:

The 5-day isolation period, symptoms have improved and they are afebrile for 24 hours without the use of fever-reducing medication.

3. Please instruct students and employees to communicate with DeEtte Edens prior to their return date if still symptomatic at the end of the 5-day isolation.

4. Exposed individuals will not be required to quarantine. If exposed, SPC does request individuals closely monitor themselves. If an individual does become symptomatic, please do not attend class or work and be tested.

Students should take an absence when they are truly ill (running fever, nausea/vomiting not due to pregnancy, diarrhea or some other communicable disease). A physician's release should be submitted when the student is treated by a physician.

Students who attend class exposing classmates to disease will receive a 10 point deduction on the next (or current) examination!

Students who exceed the allowable absence no longer meet the course criteria and must withdraw.

Absences are recorded for the whole day if a class is scheduled for the whole day. If a student leaves before the end of the class period, the student is marked "absent" for the day. There are no "half-day" absences. If the student is asked to leave the classroom for any reason (sleeping, talking or other inappropriate behavior), the student is given an absence and the subsequent point deduction.

Attendance is most often taken by a sign in sheet. Students who "forget" to sign in are counted as absent.

As a matter of courtesy and professional behavior, a student who is going to be absent should email or call the course instructor and inform the instructor of the pending absence.

4.1-B Tardy: Tardiness is not accepted in the Vocational Nursing Program. Students are either present on time or they are absent.

4.1-C. ATTENDANCE RECORDS: Because the student is an adult learner, each student should keep his/her own record of absence. Faculty is under NO obligation to inform a student of absences; the student will be notified when he/she no longer meets program objectives because of excessive absences and the student is being withdrawn. Should the student believe a discrepancy exists, the student should submit the notice in writing to the Program Director within 24 hours of notification.

4.1-D. RELIGIOUS HOLY DAYS ABSENCES: In accordance with Section 51.911, Texas Education Code, SPC will allow a student who is absent from class for the observance of a religious holy day to take an examination or complete an assignment scheduled for that day within seven calendar days after the absence.

Students are required to file a written notification of absence with each instructor within the first fifteen (15) days of the beginning of the semester in which the absence will occur. Forms for this purpose are available in the office of the Director of Special Services along with instructions and procedures. “Religious holy days” means a holy day observed by a religion whose place of worship is exempt from property taxation under Section 11.20, Tax Code.

ASSIGNMENT POLICY

Assignments/Quizzes may be given as a “Ticket to Class” or to enhance learning of the course material. These activities will count toward 10% of the total course grade.

Students may be assigned ATI quizzes that will be completed outside of class time and have a time scheduled to complete them. You only have one attempt on these quizzes and the honor code is in place as this is not a group assignment. ATI Quizzes will be **due before 8 am on the due date**. The quiz will be closed at 8 and will not accept any late work.

Tickets to class may include: Chapter outline, lecture outline, ATI quizzes, ATI Active Learning Templates, Ah Ha! Points, Muddiest points. Tickets to class shall be communicated via Blackboard Announcements.

Submitting work: Follow assignment instructions.

All required work must be in on time in order that the student may benefit from the corrections and study for future examinations. Assigned outside work is due on the dates specified by the instructor. No late work is accepted. All work is submitted via ATI or Blackboard.

Students should retain a photocopy or computer-accessible file of all assignments turned in. Always have a backup copy. All work is submitted via ATI or in the Blackboard classroom.

Assignments are not accepted by email. You must submit via ATI or via Blackboard depending upon the assignment **and it is your responsibility** to make sure that you do not upload blank documents and that your document **can be opened on a PC, because not all Mac files are able to convert.** If you submit a blank document or a file that cannot be opened, it will not be accepted, unless informing instructor a minimum of **two hours** prior to deadline. If within this timeframe, instructor can clear the previous attempt and allow student to resubmit before the deadline. Again, it is your responsibility to make sure it is compatible and not blank.

STUDENT CONDUCT

Rules and regulations relating to the students at South Plains College are made with the view of protecting the best interests of the individual, the general welfare of the entire student body and the educational objectives of the college. As in any segment of society, a college community must be guided by standards that are stringent enough to prevent disorder, yet moderate enough to provide an atmosphere conducive to intellectual and personal development.

A high standard of conduct is expected of all students. When a student enrolls at South Plains College, it is assumed that the student accepts the obligations of performance and behavior imposed by the college relevant to its lawful missions, processes, and functions. Obedience to the law, respect for properly constituted authority, personal honor, integrity, and common sense guide the actions of each member of the college community both in and out of the classroom.

Students are subject to federal, state, and local laws, as well as South Plains College rules and regulations. A student is not entitled to greater immunities or privileges before the law than those enjoyed by other citizens. Students are subject to such reasonable disciplinary action as the administration of the college may consider appropriate, including suspension and expulsion in appropriate cases for breach of federal, state, or local laws, or college rules and regulations. This principle extends to conduct off-campus which is likely to have adverse effects on the college or on the educational process which identifies the offender as an unfit associate for fellow students.

Any student who fails to perform according to expected standards may be asked to withdraw.

Rules and regulations regarding student conduct appear in the current Student Guide.

EMERGENCY MESSAGES

The student should notify his/her family that in case of an emergency during normal class schedule, they should call the Nursing Office at (806)716-4626 or (806)716-4623. Class will not be interrupted unless it is an emergency, so they must identify themselves and say it is an emergency to get immediate action.

The student should notify his/her family that in the case of an emergency during clinical rotations, they should call and leave a message or text (who they are and who they need to get in touch with for an emergency) to the number or numbers provided to them in the clinical course syllabus and/or on the clinical course schedule.
