Purpose: To have each student complete the objectives in the activity of intermediate archery through current literature, instructor demonstration and class participation. Emphasis on class competition, outdoor target shooting, 3-D target practice and optional off campus archery competition. USA Level 1 option. Introduction to compound bows.

It is the policy of South Plains College for the Fall 2020 semester that as a condition of on-campus enrollment, all students are required to engage in safe behaviors to avoid the spread of COVID-19 in the SPC community. Such behaviors specifically include the requirement that all students properly wear CDC-compliant face coverings while in SPC buildings including in classrooms, labs, hallways, and restrooms. Failure to comply with this policy may result in dismissal from the current class session. If the student refuses to leave the classroom or lab after being dismissed, the student may be referred to the Dean of Students on the Levelland campus or the Dean/Director of external centers for Student Code of Conduct Violation.

General rules:

- No foul language
- No inappropriate clothing
- No food or drink within the gym
- No cell phones or communications devices to be used
- No disruptive behavior

Violation of these rules will result in a warning for the first offense, second offense and expulsion from the class on the third offense.

If expelled from the class the student will have to meet with the teacher before being allowed back in the classroom.

Equipment and/or text needed for this class: There is no textbook required. The instructor will provide written information for the class. The college will provide all archery equipment but strongly suggests you purchase your own archery gloves and arm guards. You can use your own equipment (recurve bows only).

Injuries/medical: If they occur during class, report the injury to the instructor immediately. If you incur an injury outside of class or have an illness or medical condition that will affect your daily activity inform the instructor to make alternative assignments.

Course Learning Objectives:

Each student will demonstrate knowledge and understanding of terminology and safety of archery.

Each student will demonstrate knowledge and understanding of the archery equipment and the skills to use it properly.

Each student will demonstrate the skills of shooting including stance, knocking the arrow, sight adjustments, drawing, aiming, anchor point, release and improvements on skills post tests.

Each student will demonstrate knowledge of scoring and tournament rules for competitions.

Each student will understand the relationship between muscles, skeletal system and the movements of the activity of archery and how it all works together

Each student will demonstrate improvements on archery shooting technique and scoring.
