

South Plains College
Mathematics Department
Developmental Mathematics Lab (MATH0000)
Course Syllabus
Fall 2020

Instructor: Sheyleah Harris-Plant, PhD

Telephone: (806) 716-2665

Email: sharris@southplainscollege.edu

Office Hours:

Mondays (Virtual): 13:00 – 16:00

<https://southplainscollege.zoom.us/j/96509335675?pwd=b1hlcziIRkYzRWZTVTYyVDZPR29lZz09>

Tuesdays (Virtual): 13:00-15:00

<https://southplainscollege.zoom.us/j/95574119461?pwd=NVMvNUptVUNwdkhxZEROLzlsajVmUT09>

Wednesday (Face-to-Face): 19:00 – 20:00 (RC 231)

Thursday (Face-to-Face): 11:00 – 12:00 (M 120) and 14:30 – 15:30 (M 120)

Or set an appointment of your convenience at <https://sharris-8.youcanbook.me>

Course Description: This is a self-paced course designed to give students the necessary practice to improve their results with their next developmental math course attempt, an upcoming corequisite attempt, or an attempted retake of the TSI-exam.

Learning Outcomes

Upon successful completion of this course, the student will:

1. Use appropriate symbolic notation and vocabulary to communicate, interpret, and explain mathematical concepts.
2. Define, represent, and perform operations on real numbers, applying numeric reasoning to investigate and describe quantitative relationships and solve real-world problems in a variety of contexts.
3. Use algebraic reasoning to solve problems that require ratios, rates, percentages, and proportions in a variety of contexts using multiple representations.
4. Apply algebraic reasoning to manipulate expressions and equations to solve real-world problems.
5. Use graphs, tables, and technology to analyze, interpret, and compare data sets.
6. Construct and use mathematical models in verbal, algebraic, graphical, and tabular form to solve problems from a variety of contexts and to make predictions and decisions.
7. Use algebra skills to solve equations involving factoring and inequalities.

Textbook: No textbook is required for this course. However, the instructor may recommend a textbook for additional study.

Attendance: The student will be required to communicate with the instructor at least once per week for the duration of this course. Failure to communicate at least once per week with the instructor and no progress being made in two weeks will result in the student being dropped from the course.

Grading: This course will be graded on a pass/fail basis. Once the student has completed the course with at least 90% mastery, the student will have earned a grade of P, indicating “passing” for the course. If the student does not achieve a 90% level of mastery, the student will have earned a grade of F and will be required to complete the course again.

Supplies: Access to a computer with an internet connection is required for this course.

Accessing the Course Diagnostic and Learning Modules:

Creating an Account: First, the student will need to create an account at

<https://southplainscollege.edready.org>. Here are the steps:

1. Go to this website and choose the “Get Started” option. If you already have an EdReady account, then choose the “Log In” option at the upper-right corner of the screen.
2. Complete the brief form on the “Sign Up for EdReady” screen.
3. After setting up a username and password, choose the “Enter a key to add goals” option. Your key for this course is **math0000fall20**.

Taking the Initial Diagnostic Test: Second, after creating the account, you will need to take the initial diagnostic test.

- Please allow at least one hour for this test. However, if you need more time or need to step away, there is an option to save and exit.
- After completing this initial diagnostic test, contact your instructor for the next steps to complete the requirements for this course. You can also select Study Plan, and you’re ready to go!!

Disability: Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office. For more information, call or visit the Disability Services Office at Levelland (Student Health & Wellness Office) 806-716-2577, Reese Center (Building 8) 806-716-4675, or Plainview Center (Main Office) 806-716-4302 or 806-296-9611. (copied from current South Plains College Faculty Handbook)

You are expected to uphold the ideals of academic honesty. All work that is graded must be your own. This policy applies to all work attempted in this course. If this policy is violated the student will receive an F for the assignment and will be dropped with an F. For more details on what is considered cheating, see the South Plains College catalog.

South Plains College does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies: Vice President for Student Affairs, South Plains College, 1401 College Avenue, Box 5, Levelland, TX 79336. Phone number 806-716-2360.

Campus Concealed Carry - Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in South Plains College buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and South Plains College policy, license holders may not carry a concealed handgun in restricted locations. For a list of locations, please refer to the SPC policy at (http://www.southplainscollege.edu/human_resources/policy_procedure/hhc.php)

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all South Plains College campuses. Report violations to the College Police Department at 806-716-2396 or 9-1-1.
