SPC Policy Regarding “Standard English”: All written assignments should be presented using the conventions of Standard Written English. South Plains College requires all students to become proficient in “academic English,” a form of English that is typically used in academic, professional, and business contexts. While slang, regional idioms, and formal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing. Writing instructors and professors in courses across the campus expect all students to demonstrate proficiency in using the conventions of academic English in their written work, whether it is in-class exams or take-home essays.

Emails: Every email must include your name, course, day and time the class meets. I am teaching multiple courses and sections and most of your other professors are as well.

Therefore, it is imperative that you always include this information so we know which class you are in so that we know where you are coming from and can quickly respond to your concerns.

If you do not receive a response to an email within 48 hours please re-send your email.
