Course Resources

Textbook: Texas Government panOpen (this is an online textbook that you will access through BlackBoard).

Additional Reading Materials: Instructor will provide additional readings from a variety of sources including current event articles. Readings will be made available to students electronically when possible.

Course Structure: This online course will include videos, discussion threads, assigned supplemental readings, assignments, and tests. All materials, except for the class required textbook, may be found on Blackboard.

Attendance: Regular attendance is mandatory; attendance will be taken. It is in **your best interest** to attend class regularly and on time. Material that will be covered in class goes well beyond the assigned reading, i.e. many questions that will be on exams come exclusively from lectures rather than the book. If you **DO** miss a class, **you and you alone** are responsible for finding out what you missed from a classmate buddy or from what is posted on Blackboard. I do not repeat lectures in office hours. An absence is defined as failing to attend class, missing 15 or more minutes of class, or leaving class without the instructor's approval. Additionally, a student accrues an absence each time he or she accumulates a total of three late arrivals (i.e. 5+ minutes late). Whenever feasible, students should let the instructor know about expected absences as soon as possible.

Students who have approved absences for athletic or other school approved activities should provide a schedule within the first two weeks. Students who miss classes or exams due to verifiable circumstances such as medical emergencies should provide the documentation to the professor or facilitator as soon as they return to classes.

Student Performance: You must maintain your standards throughout the duration of the semester. There will be no extra credit and there will be little time for playing "catch-up." **If you fail three (3) consecutive "in-class" or reading quizzes, you will be dropped from the class with a failing grade with no further warning (special considerations will be made in the times of COVID-19).** If you fail to submit required work on time, you may be dropped from the class at the discretion of the instructor.

GENERAL POLICIES

- ❖ **Behavior:** Students are expected to be considerate of one another as well as of the instructor. If you need guidance, heed the words of the late Justice Antonin Scalia, “I attack ideas. I don’t attack people. And some very good people have some very bad ideas. And if you can’t separate the two, you gotta get another day job.” Conduct that interferes with other students’ right to learn will not be tolerated.
- ❖ **Getting Help:** Come see me during office hours, or email me, if you have a problem with readings, lecture, or assignments. If you are having difficulty of any sort, **the sooner you ask for help, the easier the solution to your problem will be.** I cannot help you if I am unaware. Please do not wait until the last minute to inform me of issues (emergencies are excluded).
- ❖ **Honesty:** Honesty is the expected standard. **Plagiarism and cheating will not be tolerated and can be grounds for dismissal from South Plains College.** Incidents of cheating on examinations will result in failure of the course and potential consequences such as dismissal from South Plains College.
