SPC Policy Regarding "Standard English": All written assignments should be presented using the conventions of Standard Written English. South Plains College requires all students to become proficient in "academic English," a form of English that is typically used in academic, professional, and business contexts. While slang, regional idioms, and informal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing. Writing instructors and professors in courses across the campus expect all students to demonstrate proficiency in using the conventions of academic English in their written work, whether it is in-class exams or take-home essays.

Electronic Devices: Use of electronic devices for academic purposes is welcome in this class. You may use your laptop or tablet to take notes during class but for no other activities. Do not use your phone during class. No video or audio recording devices will be allowed in class unless part of a disability accommodation.

Tobacco Use: The use of tobacco products is prohibited in this class. Electronic cigarettes are also prohibited.

Emails: All emails should include your name, course and section number. I am teaching multiple courses and most of your other professors are also teaching multiple courses therefore it is imperative that you include this basic information so that I can (and your other professors can) address your question or concern.

Do not use the blackboard email function. If you need to contact me please use my SPC email address tholland@southplainscollege.edu.

If you do not receive a response within 48 hours please re-send the email.
