### **Academic Integrity**

Plagiarism is the taking of credit for something that is not the work of the owner. It is cheating and will not be tolerated. See the General Catalog for more information on plagiarism. Cheating or dishonesty of any type in this course will result in the student being dropped from this course with an "F."

The best way to avoid this situation is using your own original work and citing sources. Links to help you cite sources are provided on Blackboard in "Helpful Links" as well as below rubrics in the syllabus.

### **Academic English**

South Plains College requires all students to become proficient in "academic English," a form of English typically used in academic, professional, and business contexts. While slang, regional idioms, and informal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing.

For help, there is a link in "Helpful Hints" that describes writing for research purposes on Blackboard.

### **Diversity Statement**

In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

### **SPC Standard Disability Statement**

Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made.
