<p>Applicable Transfer Credit Hours</p> <p>The University will consider transfer collegiate-level work completed at an institution of higher education. To be acceptable for transfer, the work must be of comparable level and content with the degree being sought at Wayland. In no instance will remedial, high school, or duplicate work be accepted for transfer. Acceptability of work for transfer does not imply that it is applicable toward the requirements of a particular degree program. It is the responsibility of the student to provide official transcripts of all college work completed as of the date of the application. Failure to list all colleges attended is considered grounds for denial of admission into Wayland as well as possible immediate suspension for those currently enrolled at Wayland.</p> <p>The student must provide official copies of transcripts from each institution attended. The records facility of the granting institution must send such transcripts directly to the University Registrar's office. Students registering at one of the university's external campuses may have the transcript sent to the external campus executive director/dean. The executive director/ campus dean will then forward the transcript to the Office of the University Registrar. A hand-carried document will be accepted for evaluation if it is in a sealed institution envelope with a school seal, stamp, or signature on the back flap of the envelope. Upon receipt, the documents become the property of Wayland and will not be returned to the student either as originals or as copies. The university's transcript evaluators are responsible for the evaluation of transfer credit. For courses not previously assessed, a syllabus and course outcomes may be required and reviewed by the school dean for which that course would be considered equivalent to Wayland work. The university's academic council will hear appeals of decisions made by these evaluators and the judgment of this council is final.</p>			

All transferred work (with accompanying grades or marks) will be translated into Wayland terms. At the undergraduate level, when the content or level renders an equivalency impossible, the work will be given a generic title and number. Under no circumstance will work taken at the freshman or sophomore level count toward satisfying the upper-level requirements established for any degree. Work completed at universities or colleges that are designated as testing schools will be evaluated using the standards established under the advanced standing examination portion of the catalog.

Transfer work will become a part of the student's record only after matriculation (defined as enrollment continued after census date) and then only when the student has established a course of record. Transfer credit will be assessed and students will be informed of the amount of credit which will transfer, preferably prior to their enrollment, but at least prior to the end of the first academic term in which they are enrolled or permitted. A total of six hours of D grades may be accepted in transfer. No courses with a grade of D will be accepted from an institution at which the student has a GPA of less than a 2.0. A grade of D will not be accepted as transfer for any English course used to fulfill a university or degree specific general education core requirement. A grade of D will not be accepted as transfer into a student's major, minor or specialization.

Additional WBU Advising Notes

- Make an appointment with an academic advisor of the major, once accepted to WBU, in order to clarify department, university policies and procedures, to review course sequencing, and to help with identifying resources for academic success. A current list of academic advising resources can be found at <https://www.wbu.edu/academics/academic-resources/index.htm>.
- Refer to the official source of information on specific courses within the WBU requirements of this degree plan from the WBU Undergraduate Catalog or visit the web site at www.wbu.edu.
- Read the WBU Undergraduate Catalog.
- Pay close attention to course sequencing and availability at WBU as it will affect the time it takes to complete the degree program.

Using this Transfer Advising Guide with Wayland Baptist University

This Transfer Advising Guide represents WBU's degree plan and is subject to change at the university's discretion. It is intended for advising purposes only so students know exactly which courses they can take at South Plains College and have the courses count towards degree requirements when they transfer to WBU. It is highly recommended that students meet with their assigned academic advisor to review all graduation and transfer requirements listed in the Transfer Advising Guide.

The ultimate goal is to provide students with accurate information for transfer pathways while minimizing loss of credits in transfer. Students are encouraged to review WBU's requirements frequently. The Transfer Advising Guide is based upon [WBU's Catalog](#) and is subject to change.

Blue and Gold Transfer Scholarships

In its tradition of encouraging promising students, Wayland is proud to offer its Blue & Gold Transfer Scholarship to **outstanding transfer students**. The award may be applied to tuition for up to 15 hours of face-to-face classes per long semester. It is based on a cumulative WBU transfer GPA, and is renewable for 8 continuous enrollment semesters less the number of semesters attended at another college. The Transfer Scholarship is awarded to the extent of university budget allocations and eligible students will receive consideration in the order of the date on which they submitted their completed applications.

Blue and Gold: General (must have acquired a cumulative GPA on post-secondary transferable hours that is within the scholarship-entry range).
